

17 November 2022

Dear parents and carers

I am very sorry to tell you that our Head Chef has fallen ill, and **we are not therefore able to proceed with the Pop-Up Restaurant this Friday** evening; it is not viable from a Health & Safety viewpoint, nor would we be able to manage the service effectively without this supervision. Obviously, the students will not be needed to stay after school today to prepare.

**Instead we will move it to NEXT Friday, 25 November**, at the same time (and the preparation session for students will be moved to next Thursday, 24 November).

I hope that this will be convenient to those of you who have purchased tickets. If you are not able to attend next Friday and require a refund, please email me [mbasso@carringtonschool.org](mailto:mbasso@carringtonschool.org) and I will ask our Finance Team to return the payment to your ParentPay account. This can take up to a week to process.

Thanks for your understanding, and my apologies again as I realise this is disappointing news.

Best wishes

Mrs M Basso  
Deputy Headteacher
