

20 July 2022

Dear parents and carers

If you haven't already used your Club4 voucher for the Summer please ensure you do so ASAP. Limited places are still available at various camps throughout Surrey. The voucher enables your child to access up to 16 days of free holiday provision over the upcoming holidays. There are a range of fun and exciting activities available.

To find activities, please go back to your Club4 voucher which you will have received via email or text and click the blue button below the unique code. This will take you back to the booking system where you can view available camps. Camps with a green dot still have availability.

There is also an online offer available throughout the summer for ideas to keep children and young people entertained – please visit [Club4 holiday activities - Surrey County Council \(surreycc.gov.uk\)](http://surreycc.gov.uk)

We hope you have an enjoyable summer!

Best wishes

The Carrington Team
