

20 July 2022

Dear parents and carers

Reports have been prepared for all our students and are now available for you to read on [Go4Schools](#).

The information contained in the reports for Year 10 students is as follows:

Baseline Target	This is your young person's target grade, based on Key Stage 2 or CAT outcomes
Current	This is the teacher's assessment of your young person's current performance
Predicted	This is the teacher's assessment of the potential outcome achievable by your young person for the purpose of college applications. These are not guaranteed outcomes and are based on progress to date, along with current levels of attendance and your young person's attitude to their learning
Attitude to Learning	This is the teacher's judgment of how your young person approaches their learning, the full descriptions of these are here

Reports **cannot** be viewed on the app version of Go4Schools; you need to open the **website version** using a laptop, desktop or tablet:

- Go to www.go4schools.com, and log in
- Scroll right down to the bottom of the page where you can select "**View Report**" in the "**Progress and Reports**" section

If you have a question or want to follow up something, contact the class teacher directly, via email using their first initial and surname followed by @carringtonschool.org. All staff names are on our website [here](#).

Best wishes

The Carrington Team.
