

23 November 2022

Dear Class of 2022

Please come and collect your GCSE and BTEC certificates on

***Wednesday 7 December, between 4.30pm to 5.30pm, in The Observatory.***

**Certificates are the legal evidence of your achievements**, you will need them in the future as proof for employers and colleges. They are very expensive to replace; a full set will cost around £300 so it is definitely worth coming to collect them!

As they are legal documents, **we require a signature to release certificates** and for this reason we cannot post them out.

There will be hot chocolate, brownies and biscuits and the chance to catch up with some of your teachers. [Please let us know whether you can attend or not by clicking here.](#)

**If you are unable to attend you can nominate another individual to collect certificates** on your behalf if they bring with them signed, written permission from you, for our records.

It would be really useful if you can **spread the word among other Class of 2022 families**, in case people have changed their email addresses since we were last in touch with this year group.

If you have any questions, you can contact [Mrs Howell](#), our Exams Officer.

Best wishes,  
**The Carrington Team**
