

27 September 2022

Dear parents and carers

I am excited that winter is just around the corner because this can only mean one thing – the ski season is nearly upon us!

Thank you for your payments for your young person's ski trip to date. The schedule requires that all payments are completed 12 weeks before departure, so please take a look at your ParentPay account and ensure your balance for this is settled by Friday 18 November.

I would like to invite you to a **meeting on Wednesday 2 November** from **17.30** with a formal presentation at 18.00 in the **main school hall**. I and the other staff members will be available to take any questions, I have also invited a representative from 321ski to attend.

Please bring your new passport number if it has been recently applied for, and the Global / European Health Insurance Card. The card can be obtained from [Applying for healthcare cover abroad \(GHIC and EHIC\) - NHS \(www.nhs.uk\)](#). Parents of applicants under 16 will need to apply on their behalf. There is no cost and it should be sent to you within 5-6 working days.

At the meeting we will run through the legalities of the trip, travel arrangements and necessary ski clothing, and provide information as to the essential and luxury items for trip.

The first flakes of new snow have fallen in Folgaria with a few centimetres forecast through September. There are plenty of good snow apps and or websites that allow you to track the forecast / snow depths in resort; I would encourage the earnest amongst you to keep an eye as winter evolves. [Folgaria Snow Report and Ski conditions \(snow-forecast.com\)](#)

Should you have any further questions, please don't hesitate to contact me imiles@carringtonschool.org.

Best wishes

Mr I Miles
Teacher of Geography
Community Partnership Coordinator
