Dear parents and carers

On **Thursday 8 December** you have an opportunity to meet **in school face-to-face** with your young person's subject teachers **between 16:00 and 19:00** to discuss the progress they are making in each subject and ways of maximising their potential as they prepare for their GCSE examinations and future college courses.

To make your appointments with teachers we are using our online appointment booking system, where you can choose your own appointment times with teachers and will receive an email confirming your appointments. **You can make appointments from today.**

Log into [School Cloud](#) using your parent email address (the one we use for you) and your young person's date of birth. Please ensure the details are the exact same ones we have on file for you, for the system to recognise you.

Teacher availability will reduce as times are booked so if you are unable to find a suitable time to meet with any particular teacher or have any questions about the process, please contact me (srolt@carringtonschool.org).

Best wishes
Mr S Rolt
Deputy Headteacher
