Dear parents and carers

We are pleased to release the **Year 10 Reports** today on [Go4Schools](#).

There are some notable changes to how we have previously published reports. Please take some time to read **the explanations [here on our website](#)**, so you can review your young person's progress for areas of strength and development and understand where they are currently in their learning and attainment.

As always, reports *cannot* be viewed on the app version of Go4Schools; **you need to open the website version.**

Scroll down to near the bottom of the page and select the "View Report" link in the "Progress and Reports" section.

If there are any additional questions or uncertainty regarding this set of reports, please do not hesitate to contact me directly.

Kind regards

Mr M Lockhart
Assistant Headteacher
Designated Safeguarding Lead
