

14 June 2022

Dear parents and carers

Planned Rail Strikes and Exams

You may be aware that there are scheduled rail strikes on **Tuesday 21 June** and **Thursday 23 June**. If your young person has an exam on these days, **they need to make sure that they can get to school in time** for that exam.

Southern and Thameslink are not involved in the strike, however they are advising that very few trains will run, and we know from experience that local traffic conditions will be badly impacted as a knock-on effect of this.

If you do rely on the trains to get to school **please consider alternative means of transport on these days**, and factor into your planning the likely disruption to all transport methods.

Best wishes

Mrs S Howell
Examinations Officer
