Dear parents and carers

At the end of last week, Year 7 students were given a School Photo Registration Card from **Vancols Photography**. This card provides a unique photo code allowing you to view and order photos.

Please note the order deadline is **midnight on Saturday 09 July**.

If you have any questions at all regarding the process please contact Vancols directly on 01206 273711 or if you are unable to locate this card, please contact the Year 7 hub or go through to reception where we will be able to help.

Best wishes
Carrington School
