

10 January 2022

Dear Year 9 parents and carers

Key Stage 4 Courses Choices Evening

We are really pleased to be holding our Key Stage 4 Courses Choices Evening on Thursday 20 January, here at Carrington School.

The evening will begin with an introduction and welcome from our Headteacher Miss Oakley and a presentation about the Key Stage 4 curriculum and options process from myself. You will then be able to browse our Careers Fair in the Sports Hall where you and your young person can talk to Heads of Faculties, Heads of Department and Subject Leaders about the subjects on offer.

In order to manage numbers and keep people safe, we will be holding two sessions that evening and allocating families to one of these. I will send your specified time out to you next Friday, in the meantime please put this date into your diaries.

Best wishes
Mrs M Basso
Deputy Headteacher
