

10 October 2024

Dear parents and carers

We are writing to inform you of a minor incident that occurred this afternoon in one of our history classrooms. A faulty plug socket caused a small amount of smoke and led to the disruption of lessons in the building for a short time, but we want to reassure you that all students are safe and handled the situation with calmness and maturity.

Our staff responded promptly to ensure the room was secure and that there was no further risk and during this time, some students who were scheduled for a tutor period enjoyed an extended lunch break. We're happy to report that all students returned to their lessons safely and without disruption after lunch.

Thank you for your continued support. If you have any questions or concerns, please feel free to get in touch.

Best wishes
The Carrington Team
