Dear parents and carers

Timings of the School Day

We are sorry there was some confusion this week for our KS3 students and families about the correct time that students leave school on Wednesdays. The information on our website is correct, but a number of student timetables had been printed with an earlier version of the timings on it accidentally, and that is how the uncertainty arose. We are all getting used to new spaces, routines and schedules with a full timetable for all year groups, and we apologise for any inconvenience experienced while we get back into our stride.

The structure of our school days are different for Key Stage 3 students and Key Stage 4 students. This is so we can continue to keep an element of separation between year groups to prevent congestion in corridors and communal spaces. Timings also vary across the days of the week for both Key Stages allowing us the flexibility to include [Excellence Programme](#) sessions, [Personal Development](#), Tutor Time, Mentoring and Assemblies.

Please use these links to our website for the information you may need:

Many thanks.
