

11 January 2022

Dear parents and carers

**Excellence Programme Sessions Start on 19 Jan (NOT tomorrow!)**

You and your young person will have received today emails from Schools Buddy notifying you of the Excellence Programme session they have been allocated for this term.

The email mistakenly says that these sessions commence TOMORROW, but tomorrow is in fact a Personal Development lesson. The Excellence Programme sessions will begin next week, on Wednesday 19 January, and will continue from there alternating with Personal Development through the rest of the term. Apologies for this error.

**Some information regarding Excellence Programme sessions**

- **Students doing any physical activity** : may wear PE kits into school for the day
- **Students doing Woodland Walks** : will need appropriate wet weather clothing and footwear
- **Year 10 Students doing Swimming, Gym-Fit and Stretch & Flex** : There is a small subsidy for this activity of £10 for the term. If you are able to make this payment please do so via [ParentPay](#). However, if this cost is a barrier to your young person participating, we have a newly created [ACE Foundation](#) Fund that can cover the cost allowing all of our students equal access to these opportunities. [Click here to indicate that you would like ACE support.](#)

If you have any questions about the Excellence Programme, please contact [Mrs J Pearce](#).

Tomorrow Key Stage 3 students are expected in at their normal time of 8.30am.  
Key Stage 4 students begin the day at 8.55am.

Best wishes  
The Carrington Team
