If the answer is no, then Surrey County Council can help! They are running **cycle training courses** at the Redhill Longmead Community Hub **over the October half term**. The courses include Learn to Ride, Bikeability Level 2 and Parent and Teen cycle training.

The Bikeability Level 2 course is aimed at those students who missed out on the opportunity to complete the course at primary school. Please note, you will need to provide your own bike and helmet for the training.
