Dear parents and carers

We are offering students studying a Technology GCSE subject (Product Design, Engineering, Textiles and Hospitality and Catering) a fantastic opportunity to participate in a **trip to Disneyland Paris** from **Sunday 12 January to Wednesday 15 January**.

What's the Aim of the Trip

We are using a specialist educational Study Experience company 'studyexperiences.co.uk' and will be travelling to and from Carrington School by coach. The aim of this trip is to bring the classroom teaching of these technology subjects alive through a DT seminar and interactive workshop based in Disneyland Paris in which students will gain first-hand experience of their subjects in real-life environments. It will also give them the fun experience of the world-renowned Disneyland and the chance to visit Paris and its iconic sights.

What's Included

- Return coach travel and Channel crossings from school to Disneyland® Paris
- Three nights' hotel accommodation at the Disney's Cheyenne Hotel on a bed & continental breakfast board
- Two-day Hopper Ticket to Disneyland® Park and Walt Disney Studios® Park
- Visit to Paris and entrance to the Eiffel Tower
- One curriculum-led Seminar hosted by the Study Experiences facilitator
- One Interactive DT workshop
- Time permitting, a visit to Carrefour on the way home
- Fully comprehensive travel insurance with AXA Travel

Students must have a valid passport and will need some spending money for lunches, dinners and snacks.
