

13 September 2024

A massive well done to our new 7s for their excellent engagement in the Bonding Week activities - what a week it has been!

Today marks the end of the transition stage. All communications from this point forward should be addressed to your young person's tutor, or the Hub Coordinator Mrs Topp, or Head of Year Mrs Davis, or for subject-related queries, directly to the class teacher (teacher names and emails are [HERE](#) on our website).

We're pleased to send you this first edition of Miss Oakley's Headlines which celebrates the highlights from July, signposts some events coming up soon and shares key information for all parents and carers.

Have a great weekend!

[Carrington Headlines, September Edition](#)

Best Wishes

The Carrington Team
