Dear parents and carers

On Thursday 4 July the school will be used as a Polling Station for the General Election. A lot more space will be needed to cope with the numbers expected to come out and vote on this occasion, compared to when we host polling for local elections. **Therefore, we are asking students to study from home on this day.** Staff will set each student five pieces of work on this day, which they will be expected to complete and submit. These will be set via Arbor.

There will be some provision in school to accommodate any young person who is not able to study at home. If this is needed for your young person, you can reserve a place using Arbor. **Tomorrow from midday** there will be a "Club" in the Activities section of your Arbor, called Polling Day Provision. Please use this to sign up your young person **if you want them to be in school on that day.**

Best wishes
