Dear parents and carers

Following on from the email sent yesterday about the **East Surrey College Taster Day** a number of students have contacted me to let me know that they have only been able to make **ONE** choice for the Taster Day (rather than **TWO** – one for the morning and one for the afternoon). I have been in touch with the college and they have advised that you should take the following steps to make your second subject choice:

“Please tell your students, in terms of the booking system, you can only select 1 ticket at a time, so you will need to go through the process for the 1st subject until the checkout and from there click ‘Continue Shopping’ to go back and select the 2nd session of choice.”

PLEASE MAKE YOUR CHOICES AS SOON AS POSSIBLE TO MAKE SURE YOU GET THE SUBJECTS THAT YOU WANT! THE DEADLINE IS 17 MAY.

Best wishes
