Dear parents and carers

Christmas Raffle Fund Raising News!

We're delighted to report that today we drew the raffle numbers for our Big Christmas Raffle. Every raffle ticket bought was allocated a number, and these were placed into a Random Generator. All winners have been notified directly by email from Mrs Gray who conducted the draw at 3pm, assisted by Mrs Pullen (Science Technician) and adjudicated by Mrs Ehren (HR Officer).

The grand first prize of the Oculus VR Headset went to Estelle Barry-Tait in Year 9, and the second prize of the Piranha Mountain bike to Mia Tully in Year 10. Congratulations to both of these students.

There were 28 further winners who shared prizes of gift hampers and vouchers.

The overall funds from this event come to a glorious £1245 which all goes towards purchasing items that Departments request that will enhance our students' learning experiences.

Sincere thanks to all those who generously bought tickets. Together we make a difference!

Best wishes
The Carrington Team
