

16 March 2022

Dear parents and carers

### **Key Messages from Surrey County Council on Living with Covid-19**

Following the Government's announcement on 22 February about Living with Covid-19, Surrey County Council have shared with us these key messages, which we would like you to be aware of.

- Students and staff should attend if they are well
- Students should stay at home if they are unwell – schools should refuse entry to those that are symptomatic or unwell
- Have a PCR test if you have COVID-19 symptoms and stay at home and avoid contact with other people if you test positive for at least 5 full days
- Then continue to follow the guidance (tests will remain available until the end of March 2022)
- Get vaccinated
- Let fresh air in if meeting indoors, or meet outside
- Everyone should wear a face covering in crowded and enclosed spaces in the wider community, especially where coming into contact with people you do not usually meet and when rates of transmission are high
- Wash your hands and follow advice to “Catch it, Bin it, Kill it”

Please do contact your Year Hub in the first instance if you have any concerns or questions around the current guidance.

Best wishes  
The Carrington Team
