

17 March 2025

Dear parents and carers

It is almost time for your young person to select their **Excellence activities for next term**. We really want your young person to **take time to think about their choice** and make the right decision. The **booking form opens in a week** so please **spend time reading about the activities available**. Your young person is able to speak to teachers or with you at home to help them make the right choice.

When your young person receives the link to the form, they must **choose FOUR activities** (in order of preference) so it is important to take the time to choose things that interest them. **Your young person should not pick an activity that they have completed before and please don't just choose something your friend is doing!**

Activities will be allocated on a first come, first served basis so it is important that your young person spends time now making a decision and keep an eye on their emails and Arbor for the link to the form. Where possible your young person will be given their first choice but if that activity is full, they will be offered their next available choice. **Your young person will not be allowed to change activity once it has been allocated.**

The link to the form will be sent to your young person, and added to Arbor, on Monday 24 March and choices must be completed by Sunday 30 March.

If you have any questions about the activities, please contact Mrs Colman (hcolman@carringtonschool.org) or Mr Taylor (ptaylor@carringtonschool.org).

Thanks

Mrs Colman & Mr Taylor
Excellence Coordinators

A large, faint sunburst graphic in light pink and orange tones is positioned in the bottom right corner of the page, partially overlapping the text.
