

17 May 2024

Dear parents and carers

If you were able to come along to Parent-Teacher meetings this week you should have received a copy of our **Recommended Reading List for 7s and 8s** which is a great resource for students who may struggle to know where to start when looking for their next read. [We have also added this to our website HERE.](#)

If your young person loved reading Ghost Boys or The Hunger Games in their English lessons, and would like to find similar books, this is a great resource. Our librarians have included descriptions of each book and also identified texts which are dyslexia friendly.

Your young person is welcome to come along to Antares to find one of these books or many of the other excellent reads we have available.

Best wishes

The Carrington Team
