Dear parents and carers

As school will be closed for polling day on Thursday 4 July, we have had to move the scheduled Year 8 HPV vaccinations. **The new date is Tuesday 16 July.**

If your young person already had their vaccination in May, you can disregard this email.

***If you have not already given consent, there is still time. This is an important vaccine for both boys and girls, as it will protect them from a whole range of cancers.***

Please complete the e-consent form by visiting [www.surreyimmunisations.co.uk](http://www.surreyimmunisations.co.uk) and entering our unique code/URN number (without the full stop) **SR143903**.

If you do not want your young person to receive a vaccine, then please fill in the 'No' box.

An automated email will be sent to you on completion of the e-consent form from Cinnamon Digital Applications (who host the website). If you do not receive this, please check in your junk email or contact the Immunisation

Team: [fchc.immunisation.team@nhs.net](mailto:fchc.immunisation.team@nhs.net).

Best wishes

**The Carrington Team**
