

20 March 2025

Dear parents and carers

In assembly yesterday Mrs Pearce spoke to all our Year 10s about what's coming up next term to help prepare them for their future career pathways:

- In Personal Development lessons students will be **covering career related topics** including how to map a career path, learning about employment rights & responsibilities, understanding the importance of employability skills and carrying out CV writing
- On **Thursday 26 June** your young person will have the opportunity to go to **East Surrey College** and on **Monday 7 July** they will visit **Reigate College** for **subject taster sessions**.
- On **Tuesday 8** and **Wednesday 9 July**, your young person will have two days out of school to **experience life in the workplace**. We would like your help with this initiative by taking your young person to your own workplace for these days or to arrange for them to shadow another family member or friend. Please note that **students who are on their DofE Silver expedition will be required to carry out work experience on 8 July only**. We will be in touch in the next couple of weeks with further information, but wanted to give you the opportunity to begin thinking about what options you might have for this.

Best wishes

Mrs M Basso
Senior Deputy Headteacher
