

21 March 2025

Dear parents and carers

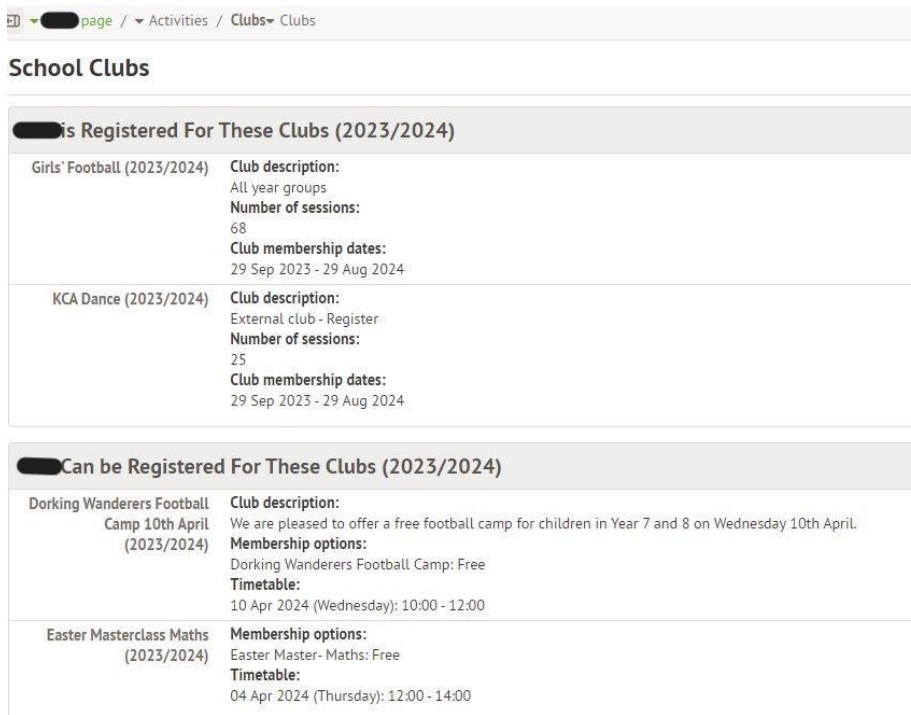

During the Easter holidays, some subject teachers will be offering **Revision Masterclasses**. Any classes that your young person has been allocated can be found on **Arbor under 'Activities'** (please take a look at the screenshot below, or the Arbor user guide [HERE](#) for how to sign up). **You will be able to register your young person for these sessions from tomorrow.**

Students will not be allowed to leave school until the class ends so, please ensure they bring food and a drink with them.

If you have any questions about a particular session, please contact your young person's class teacher. Staff can be found on our website [HERE](#).

Best wishes

The Carrington Team
