

22 February 2022

Dear Year 10 parents and carers

### **Potential Extra Capacity for the Ski Trip 2023**

I am overwhelmed and amazed by the positivity of the response from the Year 10s and incredibly excited to know that there are so many of you that are wanting to head to the Alps next winter.

Because I was aware of the wave of optimism around the trip, I did speak earlier today with the travel company 321Ski, enquiring about the possibility of increasing our numbers to accommodate possible higher demand. The opportunities for a larger coach, or a second coach, and more hotel rooms are all on the table so I am confident that we may be able to make this happen.

Please ensure you have added your name to the [ParentPay](#) waiting list tonight or by lunch time tomorrow, Wednesday 23 February, at the latest. This will allow me to go back to 321Ski to negotiate extra capacity with an accurate view of the increased size of our party.

I am keeping positive for good news on this and will be in touch as soon as possible.

Best wishes
