

22 November 2021

Dear parents and carers

Covid and Flu Vaccine Dates

The Immunisation Team from Surrey Children & Family Health **will be here tomorrow and Thursday 9 December**, administering Covid & Flu vaccines across **all year groups**.

If you have consented for your child to receive the Flu & Covid vaccine, this will happen **on either day**. You will be advised by email, from the Immunisation Team when your child receives one or both vaccines.

Please be aware, new guidance has been introduced meaning your child must have a gap of 12 weeks (instead of the previous 28 days) post-positive Covid result.

If this 12-week time frame affects your child or you have any queries regarding the vaccine, please **contact the Immunisations Team directly on the telephone number 01737 775467 or email fhc.immunisation.team@nhs.net**

Many thanks

The Carrington Team
