

22 November 2024

Dear parents and carers

It is almost time for you to select your **Excellence activities for next term**. We really want you to **take time to think about your choice** and make the right decision for you. The **booking form opens in a week** so please **spend time reading about the activities in the attached booklet** and talking to teachers or your people at home to help you make the right choice.

When you receive the link to the form you must **choose FOUR activities** (in order of preference) so it is important to take the time to choose things that interest you. **You should not pick an activity that you have completed before** and **please don't just choose something your friend is doing!**

Activities will be allocated on a first come, first served basis so it is important that you spend time now making a decision and keep an eye on your emails and Arbor for the link to the form. Where possible you will be given your first choice but if that activity is full you will be offered your next available choice. **You will not be allowed to change activity once it has been allocated.**

If you are taking part in either the **Annie production** or the **Duke of Edinburgh Award scheme** you **do NOT need to make a selection**, as you will be doing these activities during Excellence lessons.

The link to the form will be sent to you, and added to Arbor, on Monday 2 December and choices must be completed by Sunday 8 December.

If you have any questions about the activities in the attached document please speak to Mrs Colman (hcolman@carringtonschool.org) or Mr Taylor (ptaylor@carringtonschool.org).

Thanks

Mrs H Colman
Marketing and Events Coordinator/ Excellence Coordinator
