

25 February 2025

Hello parents and carers

We have added a revision skills guide to our website. Please take a moment to look through this guide with your young person and discuss ways they may be able to use the tips to help with their revision. The guide can be found [here](#) under the heading 'Revision Skills Guide'.

Year 11 students will be given time to carry out independent revision in their tutor time at least twice per week. A box of revision resources has been supplied to each tutor group to assist with this allocated time, but your young person may also wish to bring in their own resources to help with their revision.

Thank you

Kind Regards,
