

28 November 2024

Dear parents and carers

We love to recognise **those who go above and beyond in their work**, both staff and students.

We invite you to nominate any member of staff that you feel has really supported your young person or your family, or who has done something which you deem to be above and beyond.

[Please click on this link](#) to make nominations. You may make as many nominations as you like, but please complete a separate form for each. All nominees receive a letter of thanks, and their name goes into a draw for a prize. Please make any nominations by **5pm on Tuesday 10 December**.

Many thanks
The Carrington Team
