

3 June 2024

Dear parents and carers

We are now halfway through the GCSE exams and have up-dated our arrangements for these final three weeks. **Please look carefully at the information below, and discuss this with [student name] to ensure they are really clear about where they need to be and when.**

** If your young person has a lesson for a subject that has already finished, they need to make sure they have some revision materials for another up-coming subject.*
