

5 November 2024

Supporters of Carrington School (SOCS) is a vibrant and growing organisation which enables parents and carers to become involved in the life of the school; joining together to organise social events, fund raising activities, and supporting the education of our young people in a practical way where we can.

Coming up is our **Christmas Raffle**, a highlight in the fundraising year and **we need your help** to make it a success.

See below ways you can get involved.
