

6 November 2024

Dear parents and carers

We are excited to take a group of our Year 10 students to the [Science Live! Ultimate Science Enrichment Day](#) at the Brighton Dome on **Monday 10 February**. We will see and hear from five of Britain's top scientists, all working at the cutting edge of their specialism, plus words of wisdom from an experienced Science GCSE Examiner who will give top tips for exam success. This is a great opportunity to hear scientists who are passionate in a range of fields, talk about recent developments and what excites them.

- Professor Lord Robert Winston – Medical doctor, distinguished scientist in the area of human fertility
- Professor Jim Al-Khalili - Physics
- Professor Dave Cliff – research scientist in computing
- Dr Hannah Critchlow - Neuroscientist
- Dr Eleonora D'Elia - Materials Science

There are only 50 places up for grabs – [CLICK HERE to request a place](#) for your young person on the trip, the first 50 respondents will be allocated a place. We will notify applicants by email if you have been allocated a place or not. Successful applicants will then be asked to make payment of £30 (covering ticket and travel) on ParentPay by Monday 2 December.

We will leave school at 09.00 and travel by train and foot, returning to Redhill by 16.45 (approximately). Students will wear school uniform and should bring a packed lunch as there is no catering at the venue. Free School Meals students will be provided with a packed lunch by our Catering Contractor.

Best wishes

Mrs L Avery

KS4 Science Coordinator

Prof Robert Winston

Prof Jim Al-Khalili

Prof Dave Cliff

Dr Hannah Critchlow

Dr Eleonora D'Elia
