

7 December 2021

Dear parents and carers

### **Covid-19 Up-Dates and Consents Required for New Year Testing**

When we return to school in January we will be testing all students for Covid-19, as we have done at the start of previous terms. You will be sent details of the testing schedule and start of term arrangements next week. Surrey County Council have asked us to share a letter with you up-dating you on the current situation and the measures required to keep everyone safe as the pandemic continues to challenge us all. They have provided a handy Flow Chart for Secondary Aged Children; both of these documents can be found on the [Covid-19 Up-Dates page of our website](#).

For the student tests in January, [please ensure we have your agreement for this by clicking HERE to complete a CONSENT FORM](#).

We need parental consent:

- For all students in Year 7
- For any student in Years 8-11 who has joined us since last Christmas
- If you are unsure whether you did or did not complete a form previously (it is not a problem if we have duplicate consents)

We would like to have all COVID consents completed before we break up for Christmas, please; the form will only take a minute or two of your time, and will be essential in keeping everyone safe.

If you have any questions or concerns, contact Mr Miles on [imiles@carringtonschool.org](mailto:imiles@carringtonschool.org)

Best wishes  
The Carrington Team
