

7 June 2024

Dear parents and carers

We are excited to launch **'Farm Club' every day after school**. This is an opportunity for your young person to get up close with the goats and chickens and help look after them, supervised by our own staff trained in Animal Care Level 3. Students need to bring old clothes and some wellies or trainers to change into.

If your young person would like to attend Farm Club you need to **register for each session on Arbor**, under 'Activities'. **To keep our animals safe, we have had to limit numbers to 8 per day.**

If you have previously registered interest for this, please could you go back in to Arbor and re-register for each of the specific days your young person would like to attend.

Best wishes
The Carrington Team
