

8 June 2022

Dear parents and carers

I have emailed your young person with a timetable of the Mock Exams that are taking place for Year 10, starting 20 June for two weeks.

The schedule can be [viewed here on our website](#).

All the exams will take place in the Sports Hall in formal examination conditions, to provide students with further experience of these arrangements.

Revision guidance will be posted on Go4Schools by subject teachers.

Best wishes

Mr S Rolt
Deputy Headteacher
