

8 November 2021

Dear Class of 2021

Due to an unforeseen delay to the dispatch of Exam Certificates from Exam Boards, **regrettably we have had to change the date of our Class of 2021 Student Get-Together and Certificate Collection.**

This event will now take place on **Thursday 9 December 4-6pm** in **The Observatory**. We apologise for any inconvenience this may cause you.

Remember, this is your opportunity to collect GCSE and BTEC certificates and catch up with teachers over some light refreshments.

**Certificates are the evidence of your achievements and must be kept in a safe place.**

Your certificates will be required in the future as proof by employers and are very expensive to replace! As these are legal documents, we require a signature from each student and for this reason, cannot post them out. A student may nominate another individual to collect certificates on their behalf so long as signed, written permission is provided for our records.

Please [let us know by clicking here](#) if you are able to attend the new date, and how many members of the family we can expect to see.

If you have any questions about this event, please contact [Mr Lockhart](#) or [Mrs Basso](#) who are hosting this event. For any certificate-related queries, please contact [Mrs Howell](#), our Exams Officer.

Best wishes,  
**The Carrington Team**
