

9 December 2021

Dear parents and carers

Three Reminders (Xmas Lunch Booking, Covid Test Consent, Thank a Staff Member)

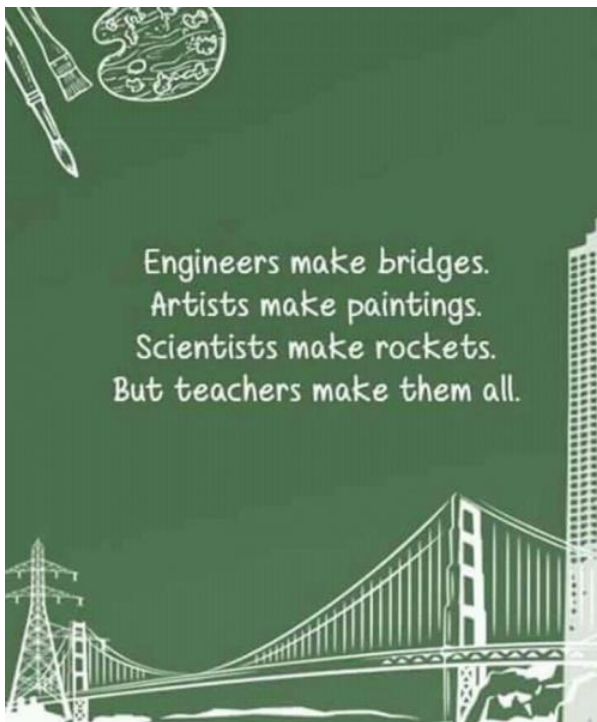

Firstly, our Catering Team would like you to know **it is not too late to book school Christmas Dinners for next Thursday 16 December** (Break 2, £2.50). The ParentPay option for this is now closed but **students can buy tickets at the till using their finger-print account TODAY and TOMORROW....**

Why not get a group of friends together to celebrate the end of term?

(Free School Meals should make sure they have booked, please)

Secondly, please remember to [complete a Covid Test Consent](#) form for our return in January. This applies to **ALL Year 7 students**, plus any **students in Years 8-11 that have joined us in the last year**. If you are unsure whether you've done it or not, just do it again!

Lastly, if you can take a moment to tell us your appreciation for any of the staff here who you feel have gone the extra mile so far this year in teaching or supporting your young person and your family, please do so, it means a lot for us to hear this!

HERE is the [Thank a Staff Member Nomination Form](#).

You can nominate as many staff members as you like, just start a new form for each one.

Best wishes
The Carrington Team
