

Appointment of Subject Leader of Music

Required: April 2025

Welcome from the Head

My priority over the past few years has been to improve the quality of teaching and learning and to open doors for every student that we are privileged to teach.

The school has undergone a great deal of change since I arrived in 2018. Some of these changes have been as a result of our own analysis and reflections on what we needed to do better, some have come about through the amazing new building project, and others have evolved as we have addressed our vision, ethos and purpose as educators .

We want our students to **ASPIRE**; to want to be the best they can be, to seize opportunities, be prepared to take risks and not be frightened of failure. We want them to **INNOVATE**; to think outside the box, be creative and curious, to be proud of who they are and to be able to work both collaboratively and independently.

We want them to show **RESPECT**; to be thoughtful and kind citizens who support each other, members of our school and local community.

Our motto, **Ad Astra**, to reach for the stars, represents the high expectations that we have for each member of our school community. Having dreams, goals, targets and a vision is an important driver to help keep us all motivated and make the learning journey purposeful and exciting. We want excellence in everything and we support and encourage everyone to be the best they can be in all that they do.
