

**1 December 2021**

Dear parents and carers

I am pleased to inform you that KS3 Science Revision Guides are now available to purchase from our online shop. Guides are priced at the school order rate of £5.50 which is about 1/2 less than the RRP.

**CGP KS3 Science Complete Study and Practice** [can be found here on our online School Shop](#). You will need to indicate whether you wish to have the Higher or Foundation version. If students are targeted 5+ we suggest the Higher tier, and if targeted below 5+ to purchase the Foundation tier.

Revision books are a fantastic investment and should you choose to buy them, it is important that they are used. We therefore recommend that students use these in lessons and to help with homework. They are no help sat on shelves or under beds gathering dust!

If your child qualifies for pupil premium funding, revision resources can be ordered by contacting myself as KS3 Science coordinator [ashah@carringtonschool.org](mailto:ashah@carringtonschool.org)

Kind regards

**Mr A. Shah**
