This policy is a result of consultation with governors, staff, parents/carers, students and other school partners. It will be reviewed annually and will be published on the school website with hard copies made available upon request. This policy takes into account current statutory powers given to schools through government legislation.

This policy outlines our key aims and responses related to developing behaviour for learning. The policy, as with all school policies, should be viewed in context. In particular, see the schools:

- Teaching and Learning Policy
- Anti-bullying Policy
- Attendance Policy
- Uniform Policy
- Curriculum Policy

Staff are expected to implement the Behaviour for Learning Policy in line with associated policies as part of a collegiate approach to managing behaviour.

1 Statement of Principles

The Governing Body's statement of principles and aims provide guidance for the Headteacher in developing the Behaviour for Learning Policy by stating the principles which governors expect to be followed. These are as follows:

Carrington School aims to provide:

- an optimal learning environment so that student potential is attained
- a common ethos which respects and tolerates all
- a common rewards system to provide positive encouragement, praise and recognition of good behaviour and effort
- sanctions which address persistent behavioural problems
- support for students with learning and/or behavioural and social needs
- a consistent and fair response to behavioural issues
- rules that clearly define the limits of acceptable and non-acceptable behaviour

Carrington School aims to both guide and reflect prevailing good practice. As such the policy is a dynamic document, subject to ongoing review in the light of developing practices and initiatives both within and without the school. We set out to create an environment that develops appropriate behaviour for learning to ensure that every child can achieve his or her potential in a positive learning environment irrespective of their background or circumstances.

2 Rights and Responsibilities

2.1 Rights

All members of The Carrington Community have the right to the following:

- To be treated with respect
- To be listened to
- To be safe from abuse of any kind including verbal, physical, cyber, emotional abuse
- To be able to work in a supportive environment
- To be able to learn/teach or allowed to do their work to the best of their ability

2.2 Responsibilities

All students of Carrington Community have the following responsibilities linked to the classroom rules for students shown in the Record Book and recorded in this policy:

- To behave appropriately to allow teachers to teach and learners to learn
- To behave appropriately with regard to our community
- To behave appropriately to promote the values and ethos of the school
- To behave appropriately with regard to the schools environment
- To follow instructions of all school staff
- To work to the best of their abilities

3 Rules and Expectations

1. Verbal warning. Student is reminded of the classroom rule and given time to amend their behaviour
2. Level 1 (L1) yellow warning is given. Student is reminded of the classroom rule and given 30 minutes after school, work completion session
3. Work completion can be withdrawn if no further behaviour issues in the lesson.
4. Level 2 (L2) red warning – if the student behaviour causes further disruption to learning, the teacher will issue a one hour work completion session
5. Failure to attend work completion session will result in an escalation to the next level of the behaviour strategy
6. A level 3 (L3) may be issued if the teacher requires additional support from a senior colleague (known as Referral)

4 Rewards and Support Strategies

4.1 Rewards

Our policy is grounded on a reward based approach where success is celebrated as often as possible.

Every member of staff is expected to praise at least twice as frequently as to reprimand in every lesson. At Carrington School we value all forms of success and we celebrate achievement in a variety of ways including:

Credits- Students may achieve a merit for a good piece of class work or homework; for independent learning; for behaving well; for being a good citizen

- Credit Certificates: Students will receive merit certificates for significant milestones, such as 100/200
- Attendance Certificates
- Headteacher commendations
- Letters/Post Cards home celebrating success
- Telephone call home celebrating success
- Priority Pass for the lunch queue
- Badges given for posts of responsibility
- Achievement boards
- Verbal praise
- Formal Awards Evenings
- Environmental Awards to recognise care of the premises e.g. organising displays
- Students who have no recorded behaviour incidents at the end of the year are offered an offsite trip/activity

4.2 Support strategies

At Carrington School we recognise that we need to be responsible for our actions. When a student behaves in a way which is judged to be unsafe or disrupts the learning of others they may be dealt with in a variety of ways. The tutor, class teacher, Head of Department, Head of Faculty, Head of Year, Assistant Head of Year, Mentor or SLT member may talk to the student about their behaviour and resulting consequences which can include the following:

- Polite reminders about acceptable behaviour
- Credits for showing the ability to meet personal challenges with regard to appropriate behaviour
- Verbal warnings of further consequences
- Opportunities to 'buy back' detention time with appropriate behaviour
- Removal to another classroom
- Departmental report
- Weekly report by student request to tutor, Head of Year or SLT
- Weekly report by parental request to tutor, Head of Year or SLT
- Daily report to tutor, Head of Year or SLT
- Hourly report to Head of Year e.g. where truancy has been identified
- Removal from subject area for a fixed period of time
- In class 'time out' activities: at Carrington School it is not our policy for students to be placed unsupervised outside the classroom during lesson times.
- Access to intervention programmes in DICE Developmental and Inclusive Centre of Excellence, such as anger management; self-esteem; resilience support
- Access to external intervention programmes as applicable
- Parental consultation: parents/carers will be invited to a formal meeting where a student's behaviour log identifies a poor pattern of behaviour so that an agreed strategy for improvement can be agreed.
- Parental contracts: agreements made between school, parent/carer and student
- SLT panels Governor panels

5 Sanctions

Schools have a statutory power to issue sanctions. Sanctions will depend upon the nature of the misbehaviour and the extent to which the student has misrepresented the school's stated values and ethos. Sanctions should be proportionate to the misbehaviour shown and give reasonable consideration to individual students' needs and circumstances. Sanctions may include the following:

- One to one admonishment
- Removal from a teaching group for a fixed period of time
- Withdrawal of access to IT facilities where these are misused
- Withdrawal from a school event
- Withdrawal from offsite activities
- Attendance at Student behaviour panels
- Attendance at Governor behaviour panels

5.1 Detentions (including Community Service)

When	How long	Supervising staff	Notice given
Community Service: Break time	10 minutes (maximum)	All staff	Immediate
Community Service: Lunch time	20 minutes (maximum)	All staff	Immediate

After school- Level 1	30 Minutes	Teaching staff/SLT	24 hours (recorded on Go4Schools). This may be less with parental consent. *
After School- Level 2	1 Hour	Teaching staff/SLT	24 hours (recorded on Go4Schools). This may be less with parental consent. *

*Whilst we will always aim to give 24 hours notice or longer, there is no requirement for schools to give notice for after school detentions. <https://www.gov.uk/school-discipline-exclusions>

When	How long	Supervising staff	Notice given
School day	Varies	Head of Year	Immediate
School day	Up to one lesson	Support Centre	Immediate

5.2 Internal Exclusion (including Inset Days)

When	How long	Supervising staff	Notice given
School day	Up to 5 days (maximum)	DICE staff/SLT	Recorded on Go4Schools and communicated by DICE.

5.3 External Exclusion

- supervised exclusion at one of our local secondary schools
- Fixed Term Exclusions: used when other strategies have been unsuccessful, or for more serious incidents a student may be excluded for up to 5 days from school. A reintegration meeting is always held with parents/carers/carers to facilitate a successful return to the school community Permanent exclusion: where we have exhausted all available interventions and support strategies without significant impact the school may decide to permanently exclude a student. A student can also be permanently excluded for a single triggering incident

5.4 Penalty Notice relating to Exclusions

Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours when they are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice. The amount payable is £50 if paid within 28 days of receipt of the Penalty Notice, rising to £100 if paid after 28 days but within 42 days. If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absent.

6 Monitoring behaviour for learning

At Carrington School we monitor Behaviour for Learning by logging incidents and staff responses on a central database. Heads of Year review student logs on a weekly basis to identify patterns of behaviour in order to implement appropriate sanctions or support strategies. The Senior Leadership Team monitors the use of sanctions by age, ethnicity, gender, SEN and disability. The aim is to ensure a consistent approach and to support modification of the behaviour concerned or to reward excellence and/or significant progress. The following shows the range of behaviours we currently enter on to student behaviour logs.

6.1 Guidance for Staff

At Carrington School we acknowledge the need for a consistent approach to behaviour management. At the same time we acknowledge the need to differentiate our behaviour management approaches just as we do when delivering the curriculum.

Teachers are expected to use their professional judgement when identifying consequences for inappropriate behaviour. Teachers should refer to the Behaviour Management Tool Kit - devised at a whole staff meeting - for guidance and to achieve consistent judgements about student behaviour. At Carrington School we expect all behaviour management strategies to be implemented to achieve good standards of behaviour before resorting to sanctions. In this way we aim to plan for success. These include:

- Being on time to meet and greet students
- Seating students appropriately
- Providing well planned, episodic lessons with a 'do it now' activity
- Preparing resources for smooth transitions
- Planning for well-paced lessons
- Sharing the Lesson Objective and explaining the lesson plan
- Planning for differentiation and challenge
- Remaining calm in voice and body language
- Using non-verbal signifiers e.g. raised eyebrows; fingers to the lips for silence; writing on the board; use of electronic timers via IWB; moving towards misbehaving students?
- Establishing agreed class rules
- Using the language of choice, making choices clear
- Using praise: language of praise should outweigh language of censure e.g. 'I remember how well you settled last lesson and the good work you produced.'
- Deflecting attention of the student to the task e.g. '... so what stage are you at now?'
- Recognition of any efforts made by the student
- Use of humour to 'chivvy' the student
- Resources targeted at the student's interests
- Making expectations and consequences clear
- Allowing student 'take up' time to complete request
- Ignoring the inappropriate action by focusing on required action e.g. 'What I need you to do now is Q4.'
- Re-seating student for a 'second chance'.
- Noting students who behave well either verbally or written names on the board
- Identifying and commenting on acceptable behaviour e.g. 'Well done to all of you who have opened your books' rather than focusing at length on those who have not responded to your instructions

6.2 Managing Behaviour Issues – The Structure and Application of Sanctions

At Carrington School we work hard to make clear the boundaries of acceptable behaviour to the student and the wider school community. Where a student's behaviour fails to meet the school's expectations, sanctions will be applied. We will use our professional judgement to ensure that the sanctions applied are reasonable and proportionate to the circumstances of the case.

6.3 Reprimand

For minor misdemeanours an immediate reprimand is required. This could be accompanied by a number of actions, e.g. follow-up conversation at the end of the lesson, verbal warning, moving the students to another place in the classroom, turning their desk to the wall at the rear of the class, tidying the classroom before they leave.

6.4 Break or Lunch – Community Service

Individual teachers, Subject Areas or the Pastoral Team may issue students with detentions during morning break or lunchtime. Break time community service should not be longer than 10 minutes and lunch time no longer than 20

minutes. These are given for repeated or more serious misdemeanours that disrupt the school community. It is vital to be clear with the students about when and where the session is and what will happen if they do not attend. A record should be kept of detentions and reasons given on Go4Schools. Failure to attend a break or lunch-time detention may result in escalation, for example, result in an after school detention.

6.5 After School Detentions

Individual teachers, Subject Areas or the Pastoral Team may give students afterschool detentions. These may be held between 3.30 and 4.30*. All detentions should be positive with students working to complete the work surrounding the topic they missed as a result of their behaviour. Details must be entered by the teacher into Go4Schools for allocation.

Tutors will monitor patterns of behaviour and action needed should be discussed at every Year Team meeting.

6.6 Referral

On rare occasions, Subject Teachers may require support from senior members of staff. The member of referral staff will look to ascertain what has occurred and look to resolve the issue by returning the student to a place of learning at the earliest opportunity. This might be:

- A return to the lesson
- Placing the student in another lesson with where learning can continue
- Placed in upper dice for the remainder of the lesson.
- Placed with a member of the senior team until a return to lessons can be negotiated.

6.7 School Report Forms

Various report forms are used within the school for persistent misbehaviour, poor progress, or following truancy or frequent punctuality problems. These are monitored by the Heads of Department, Heads of Faculty, Heads of Year or by the Senior Leadership Team. Parents/carers are asked to check and sign these reports every day.

- Subject Work/Behaviour Report for general concerns
- Truancy Report
- Punctuality Report
- Uniform Report
- Returning from Exclusion Report (monitored by the Head of Year or Senior Leadership Team)

6.8 Class Reports

These may be issued when a number of staff are reporting problems with a particular Teaching group and are monitored by the Head of Department, Head of Faculty or Heads of Year

6.9 Community Service

Following minor acts of vandalism such as graffiti, or participation in anti-social behaviour, students will be given tasks. These may include cleaning, litter-collecting, cleaning desks or room-tidying. Tasks will be arranged through the Head of Year, perhaps in association with the Property Management Team.

6.10 Confiscation

Teachers and other school staff have a statutory power to use confiscation as a sanction. At Carrington confiscation will be applied in a reasonable and proportionate way as part of the school's Behaviour Policy. A written record of the confiscation should be kept on Go4Schools confiscated, a description of the item, the teacher confiscating, the student and the tutor group. Items should be given to Student Services who will contact parents/carers/carers to advise of the confiscation and procedure for collection of the item/s.

When deciding whether to confiscate an item, staff may need to consider its religious, cultural or personal significance to the student. If you have concerns of this type, refer the matter to the Head of Year and/or Assistant Head (Behaviour).

Our criteria for confiscation will include:

- An item which poses a health or safety threat, e.g. a laser pen
- An item which poses a threat to good order for learning, e.g. a personal music player or mobile phone, headphones
- An item which is against school uniform rules, e.g. excessive jewellery, baseball caps, hoodies
- An item which is counter to the ethos of the school, e.g. material which might cause tension between one ethnic group and another
- An item which is illegal for a child to have, e.g. racist or pornographic material
- Mobile phones – separate guidance regarding the use of mobile phones in school is logged in student record books and as part of the school's uniform policy. Mobiles need to be switched off during lesson times or they will be confiscated. Confiscated phones should be handed in to Student Services with the relevant form. Mobile phones will usually be returned the same day. Where the student is a 'repeat offender' alternative arrangements for return may be made following discussion with the student's parents/carers/carers.

NB: Separate school protocols apply for the confiscation of weapons and drugs. If you have a suspicion that a student may be in possession of such items, a senior member of staff must be alerted immediately

6.11 INSET Day

In response to a particular behaviour issue or where they have been uncooperative or disobedient with regard to sanctions issued during the course of a term, students may be instructed to attend school during an INSET Day. Appropriate work/tasks will be provided. These arrangements must always be made through the Assistant Head (Behaviour). Parents/carers will be notified in advance.

6.12 Withdrawal from lessons

This will be used for serious misdemeanours or as the result of a build-up of inappropriate or uncooperative behaviour at the discretion of the Head of Department, Head of Faculty or Head of Year. The student will be isolated or will accompany the Head of Year during the day. Parents/carers will be notified if an extended period is required, or a note will be made in the student's Record book.

7 Exclusions

7.1 Internal Exclusion

When it is felt necessary, the withdrawal process outlined above will be formalised as an 'Internal Exclusion'. This will usually follow an interview with the Assistant Headteacher (Behaviour). The parents/carers/carers will be informed by letter and warned that ongoing or further misdemeanours may result in a period of external exclusion. The Headteacher will be notified of the internal exclusion.

Internal exclusions are for a maximum of two days.

7.2 Exclusion - Fixed Term and Permanent

In extreme circumstances of disciplinary breakdown, the sanction of exclusion will be used on a student. If a student is excluded, the parents/carers will be informed as soon as practicable, initially by telephone and then by letter. Carrington School's policy on exclusion is designed to be understood very easily both by students and by their parents/carers. Certain types of behaviour in school will always lead to a "fixed-term" exclusion, the length of which can be up to a maximum of 45 school days in any one term and any one school year. We rarely exclude students for anything like this length of time but fixed-term exclusions are employed automatically as a sanction against specific

forms of unacceptable student behaviour. The most frequent forms of such behaviour are listed below, although the list is not exhaustive and other forms of unacceptable behaviour will also lead to a fixed-term exclusion if the school deems it necessary.

Examples of student behaviour likely to lead to a Fixed-Term Exclusion:

- refusal to accept the normal discipline of the school
- repeated unwillingness to complete the normal activities of that student's programme(s) of study
- abusive language towards a member of staff physical violence towards another student
- serious harm to the reputation of the school through grossly irresponsible behaviour outside school
- persistent bullying or intimidation of another student (refer to the Anti- Bullying Policy) significant involvement by a student with items or substances that should not legally be in his or her possession in school

7.3 Process for an exclusion

An incident, which is referred for an exclusion to the Headteacher, must be accompanied by a written account of the reasons for the referral. Dated and signed statements written by the transgressor and any witnesses (staff and students) should be included.

Exclusion will be used by HT as a last resort in response to serious breaches of school policy or of criminal law and when it is felt that allowing the student to remain in school would impact on the education or welfare of the student or others.

In determining the duration of any exclusion, the HT will consider the following factors:

- the age and ability of the student
- the student's school history
- the student's social circumstances
- the extent to which parental or peer pressure contributed to the offence
- the severity and frequency of the offence and the likelihood of reoccurrence ☐ the attitude of the student
- the safety of other students and the maintenance of educational standards

The procedures for exclusion are laid down in the DFES regulations/SCC guidelines.

7.4 Support Following a Sanction for Poor Behaviour

- Reports to Form Tutor, Head of Year or SLT
- Behaviour support from Inclusion Manager, other members of the SEND Team or the Intervention Tutor Team
- Support from external agencies including Educational Psychology, ASD Outreach etc.
- Referrals to external agencies such as CAMHS, Learning Space and Social Services
- A managed move to another education provider.
- Use of Reigate Valley College to provide early intervention support and fulltime alternative provision

7.5 Permanent Exclusion

We will have no hesitation in seeking a permanent exclusion for a student who has proved, over the long term or through an outrageous single act, to be beyond the control of the school. We hope and expect that this sanction will only be used extremely rarely. Examples of a single outrageous act which might lead to Permanent Exclusion include:

- threatening behaviour with, or use of, weapons the distribution, possession and/or use of drugs large scale theft of property from the school site
- extreme acts of violence against a member of the school community sexual assault against a member of the school community

A multi professional team meeting involving the parents/guardians must be arranged to initiate this program.

8 The Use of Detentions

Clause 91 of the Education and Inspections Act 2006 gave a statutory power for teachers and other staff to discipline students. Detentions are one of the sanctions available to schools. At Carrington School detentions may be used as a sanction on occasions when a student's behaviour falls below the school's required standards. Detentions may be given as detailed above at the following times:

- before school
- during break
- during lunch time
- after school, including Saturdays
- on INSET days

8.1 Procedures

1. Parents/carers/Carers are notified about work complete sessions via Go4Schools. It is expected that parents/carers check this information every day.
2. Parents should make adequate transport arrangements so that students can return home safely.

8.2 Severe Problems

The following, fully documented and severe problems should be referred to the HOD (following an incident in a lesson) or otherwise HOY. HOD/HOY will then consult with a member of SLT (preferably their line manager) and a decision made on the action to be taken.

- Any action whilst in school, en route to or from school or on a trip or activity, which brings the School into disrepute
- Theft or vandalism
- Consumption or possession of alcohol or drugs
- Violence
- Persistent bullying
- Physical assault causing injury
- Threatening behaviour
- Foul/abusive language towards a member of staff
- Offensive weapons
- Extortion
- Racial/sexual harassment

8.3 Class Detentions

Staff should **NOT** give 'whole class' detentions. In such cases it is certain that some members of the group will be blameless. It is, therefore, unfair and impossible to justify the punishment to those students or their parents/carers.

9 School Rules

These rules are the basis for establishing and maintaining sound behaviour and discipline

10 Teaching/Tutor Areas

To ensure the effective implementation of the Classroom Code, the following simple rules of behaviour have been agreed upon by Staff and Students:

1. On arrival for a lesson, students should enter the classroom as the teacher directs and sit at their desks preparing quietly for work or completing the 'do it now' activity as directed. (When lessons are held in Practical

Classrooms, such as Laboratories and Design Technology rooms, students should queue up outside the room in an orderly manner.)

2. It is the students' responsibility to be properly equipped for the lesson. This includes:
 - Having a reading book with them at all times: regular reading and sustained reading will result in raising student levels of literacy and enjoyment of books. Students are expected to have a reading book with them at all times. Failure (second occasion) to have a reading book during Tutor period will result in a 'Level 1- Work completion session' being issued.
 - Having a record book with them at all times: consistent and accurate use of the student record book to record homework, achievement, targets and notes will improve study skills and organisation. Students are expected to carry their record books with them at all times. If a student forgets their record book they are to collect a diary day slip from their tutor. This slip is to be used for the day and the details copied into the record book that evening. The tutor should check this has been done. Tutors should check that students have their Record Book during Tutor period at the start of each day Having 'Be Prepared' equipment with them:
Bag or Briefcase, Equipment for PE, Pens, Record Book, Reading Book, Eraser, Pencils, calculator, ruler Exercise books, text books, Drawing pencils (crayons)

1. Students should stop talking when they are directed to by a teacher and not talk while the teacher or another student is speaking to the class.
2. Anyone arriving after the teacher has started the lesson should be acknowledged by that teacher before they sit down. They should, where and when appropriate, explain the reason for their lateness and detentions issued as appropriate.
3. Uniform should be worn correctly at all times. The uniform requirements are relaxed at some stages of the summer term as advised by the Headteacher.
4. Coats should not be worn in the school buildings, in the classroom, during registration or lessons, and bags should not be left on tables.
5. Any student wishing to answer a question or attract the teacher's attention should raise his/her hand and wait to be asked to speak.
6. Eating and drinking in school is restricted to the designated areas within the school. These are the Dining Hall, and The Quad area. Eating and drinking is not allowed anywhere in class. Chewing gum is not allowed anywhere in school.
7. At the end of a lesson, students should not make any move to pack away or leave until the teacher has given permission. There should be no litter on the desks or floor, and tables and chairs should be left in their correct places.

10.1 Around the school site

1. Students must move around the School in a sensible, calm, courteous and appropriate manner. They should keep to the right in the corridors and stairways and keep moving so that an efficient flow of traffic is achieved.
2. Students should not run around the school site (except in the playground or field areas).
3. If there are visitors in School, students should be polite and helpful.
4. Students are expected to respect the rights of others to use the playgrounds.
5. Students should not drop litter.
6. The possession or use of cigarettes, alcohol, and illegal substances is strictly forbidden.
7. Dangerous items such as matches, lighters, knives and aerosols must not be brought onto the school site.
8. The use of mobile phones on the school site during lessons is forbidden and should not be seen at any time inside school buildings. If families feel that it is necessary for students to carry mobile phones, such phones must be kept securely hidden in the blazer pocket designed for a mobile phone and must be switched off. Any breach of this rule will lead to the confiscation of the phone until the end of the school day. Any further breach of the

rule will lead to a further confiscation, disciplinary action and the requirement for a parent/carer to collect the phone from school.

9. Eating and drinking are only allowed during morning or lunchtime breaks, in the official eating areas.
10. All accidents must be reported immediately to a member of staff.
11. Students must have signed permission from their parent(s)/carer(s) and an 'exit form' from Student Services in order to leave school during the school day. They must show the signed permission to their teacher before they are allowed to leave the lesson to go to Student Services. Upon returning to the school site, students must report to Student Services to be signed back on to the school site.
12. Students who are late for registration after the tutor period is finished must report to Student Services
13. Only students with written permission from their parent(s)/carer(s) may cycle to School. The wearing of a cycle helmet is strongly recommended.
14. Bicycles should not be ridden in the School grounds. They must be left in the cycle sheds and locked. Students should keep out of the cycle shed unless parking or collecting their bikes.
15. The school uniform should be worn at all times. If a student looks untidy e.g. shirt hanging out, they should be asked in a non –confrontational way to tuck their shirt in. All staff are required to be consistent in this approach, in lessons and around the school. If a student is wearing an unacceptable amount of jewellery then it should be put in the main school office in an envelope with a jewellery form completed. A jewellery letter will then be sent home, asking parent/guardian to collect the items from school. The initial responsibility for good uniform lies with the Tutor who must advise the HOY who may contact home if the student fails to have the correct uniform without good reason. In agreement with parents/carers students may be sent home to comply with the requirements of the school uniform.

11 Expectations of students' conduct and behaviour outside the school premises

Carrington School has high expectations of students with regard to their behaviour off the school site. This includes behaviour on activities arranged by the school, such as work experience placements, educational visits, and sporting events; behaviour on the way to and from school; and behaviour when wearing school uniform in a public place. The school will apply appropriate sanctions to regulate offsite behaviour whenever there is a need. Where there is a concern about student behaviour off site in situations other than school arranged activities, Carrington School will always consider the context for its involvement. It will take account of a number of factors before deciding to apply sanctions. These factors will include:

- the severity of the misbehaviour;
- the extent to which the reputation of the school has been affected; related to this, whether the student(s) in question were wearing school uniform or were otherwise readily identifiable as members of the school;
- the extent to which the behaviour in question would have repercussions for the orderly running of the school and/or might pose a threat to another student or member of staff (e.g. bullying another student or insulting a member of the staff);
- Whether the misbehaviour in question was on the way to or from school, outside the school gates or otherwise in close proximity to the school.

11.1 Traveling to and from School

It is expected that students will behave themselves in a way which upholds and does not harm the reputation of the school. Students must always be aware of other members of the school community and members of the public. We will respond in school to any complaint received about unreasonable behaviour.

11.2 Key expectations

- **Smoking:** The importance of a healthy lifestyle and the dangers of smoking are covered in Science and PE lessons. School rules forbid smoking on school premises and on the way to and from school. Cigarettes, lighters, Vapes and matches are confiscated and only returned to parents. Smoking offences should be logged on a Smoking Form and given to HOY. Interventions are applied as follows:

1. First offence: the student is required by HOY to complete, in their own time, a reading comprehension on the hazards and costs of smoking. Parents are notified.
 2. Second offence: parent's notified and medical attention sought or parental rewards for giving up smoking, negotiated by HOY.
 3. Third offence: 1 day internal exclusion for repeated defiance of school rules.
 4. Fourth offence: 2 days internal exclusion for repeated defiance of school rules.
 5. Further offences: Fixed Term Exclusion from the school will be considered.
- Buses: when waiting for a bus, students should queue sensibly. When on a bus, they must behave sensibly and show courtesy towards the driver and members of the public
 - The Town Centre: sensible behaviour is expected both inside and outside of town centre shops, as is appropriate courtesy towards other customers and shop owners.
 - Cycling/Walking: sensible use of roadways and pavements is expected and ensures safer journeys.
 - Language: the use of loud and bad language is unacceptable.

11.3 Off Site Activities

When students are engaged in off-site activities, they are expected to abide by the school rules as directed by the member of staff in charge. Such activities will include school trips, work experience or other courses organised as part of the students' school programme and sports events. In all such situations students are expected to act as ambassadors for the school and ensure that through their behaviour, our reputation is enhanced. Where a student's behaviour is found to have fallen below the school's expectations, appropriate sanctions will be applied.

11.4 Abuse or intimidation of staff outside school

Members of our school staff have the same rights of protection from threat as any citizen in a public place. Carrington School will not tolerate incidents of abuse or intimidation of its staff including unacceptable conduct by students when not on the school site, and when not under the lawful control or charge of a member of staff of the school. The school will always take seriously reports of such behaviour and apply appropriate sanctions when the student is next in school.

12 Referrals guidelines

The following process should be followed so that students are clear about the consequences of continued poor behaviour

1. In class behaviour management. Students should be given every chance to comply with staff requests. Students should be given a verbal warning/yellow card of the consequences such as a work completion session/change of seating plan etc.
2. Where a student refuses the teacher should send a reliable student with a note to Student Services to request support from 'Referral' personnel support. It is the responsibility of the teacher to follow up the issue with the student and effect a repair and rebuild meeting and/or relevant sanction before the next lesson with the support of the line manager, Support Centre staff and/or SLT as appropriate.
3. Where a student refuses to go with 'Referral' personnel the student will be referred to the Assistant Head (Behaviour) for consideration of a recommendation to the Headteacher for an exclusion for persistent defiance. It is the responsibility of the teacher to provide work for the student during any exclusion and to ensure the student is enabled to catch up on work missed upon his/her return.
