Introduction

It is the responsibility of the head of centre to ensure that Carrington School has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that Carrington School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Carrington School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to

collect any declaration of conflict of interest

from all centre staff to identify and manage any potential conflicts of interest.

Declaration process

An electronic Declaration of Interest form is sent to all centre staff to be returned to and monitored by the Exams Officer.

Managing conflicts of interest

A Conflict of Interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries of each examination series by identifying and following the individual awarding body's administrative process. The agreed measures taken to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the member of staff informed of these measures.
